

# Safety Data Sheet

Page: 1 / 5

Issue date: 19/12/2005

Number: 2004E

## 1. Identification of the substance/preparation and the company/undertaking

**Product name:** SYLVARES™ SA 85

**Company :** Arizona Chemical  
262 Rue Jean-Jaurès - BP 8405  
F-79024 Niort, France  
Tel: +33 5 4906 8787, Fax: +33 5 4906 8788

**Emergency Tel :** +44 1865 407 333

**Intended use:** Chemical intermediate used for manufacture of industrial products.

## 2. Composition/Information on ingredients

**Composition:** Hydrocarbon resin

Chemical name	CAS no.	EINECS no.	Symbol	R-phrases	%WT
Hydrocarbon resin					100

## 3. Hazards Identification

**Effects of (over)exposure:** Dust may cause some irritation. On heating, this product may generate fumes that irritate the eye and may cause respiratory irritation with throat discomfort, coughing, or difficulty breathing.

### Symptoms of (over)exposure

- **Inhalation:** Dust may cause some irritation. On heating, this product may generate fumes that irritate the eye and may cause respiratory irritation with throat discomfort, coughing, or difficulty breathing.
- **Skin contact:** Prolonged contact may cause localised irritation due to fine dust.
- **Eye contact:** Dust may cause some irritation.
- **Ingestion:** May cause some irritation..

## 4. First-Aid Measures

**Inhalation:** Seek medical advice if irritation persists

**Skin contact:** Wash with soap and water.

**Eye contact:** Rinse immediately with plenty of water.

Product name: **SYLVARES™ SA 85**

## 5. Fire-Fighting Measures

### Extinguishing media

- **Suitable:** Powder, carbon dioxide, foam, watermist (only large amounts).
- **Not to be used:** Not applicable.

### Hazardous thermal decomposition and combustion products

- In case of fire toxic fumes will be formed.

### Protection of firefighters

- Wear protective clothing and use self-contained breathing apparatus.

## 6. Accidental Release Measures

**Personal precautions:** Put on adequate protective equipment. Do not breathe dust.

**Environmental precautions:** Keep away from drains, surface-water, ground-water and soil.

**Methods for cleaning up:** Collect as much as possible in a clean container for disposal. Disposal according to local regulations.

## 7. Handling and Storage

**Handling:** Keep away from sources of ignition - No smoking. Do not breathe dust. Avoid contact with eyes. Take precautionary measures against static discharges. Avoid dust formation. Risk for dust explosion. On heating, this product may generate fumes that irritate the eye and may cause respiratory irritation with throat discomfort, coughing, or difficulty breathing.

**Storage:** Keep in a cool, well-ventilated place. Take precautionary measures against static discharges. Avoid dust formation. Risk for dust explosion

## 8. Exposure Controls/Personal Protection

Chemical name	TLV*		MAC**		R-phrases
	ppm	mg/m <sup>3</sup>	ppm	mg/m <sup>3</sup>	
Organic dust		10		10	
Organic dust, respirable		5		5	

\* ) ACGIH 1995-1996

\*\* ) The Netherlands-1995

**Respiratory protection:** Suitable respiratory equipment in case of insufficient ventilation. Filter type: P2

**Hand protection:** Protective gloves. PVC

Product name: **SYLVARES™ SA 85**

Page: 3 / 5

Issue date: 19/12/2005

Number: 2004E

Eye protection: Safety goggles.

Skin and body protection: Suitable protective clothing.

**9. Physical and Chemical Properties**

- |                            |                      |
|----------------------------|----------------------|
| - Appearance               | Clear                |
| - Autoignition temperature | Not known            |
| - Boiling point            | Not known            |
| - Colour                   | Colourless           |
| - Explosion properties     | Not known            |
| - Flash point              | 182 °C (360 F )      |
| - Melting range            | 80 - 90 °C           |
| - Odour                    | Odourless            |
| - Log P <sub>ow</sub>      | No data available    |
| - pH                       | Not applicable       |
| - Density                  | No data available    |
| - Solubility in water      | < 0.1 %              |
| - Vapour density           | Not applicable       |
| - Vapour pressure          | < 0.001 mm Hg (20°C) |
| - Viscosity                | Not applicable       |

**10. Stability and Reactivity**

Conditions to avoid: Excessive heating when Storage.

Materials to avoid: None.

Hazardous decomposition products: None.

**11. Toxicological Information****Routes of exposure**

- **Inhalation:** Dust may cause some irritation. On heating, this product may generate fumes that irritate the eye and may cause respiratory irritation with throat discomfort, coughing, or difficulty breathing.

Product name: **SYLVARES™ SA 85**

Page: 4 / 5

Issue date: 19/12/2005

Number: 2004E

- 
- **Skin contact:**
  - **Eye contact:** Dust may cause some irritation.
  - **Ingestion:** May cause some irritation..

## 12. Ecological Information

- Mobility:** Not known.
- Persistence and degradability:** Not known.
- Bioaccumulation:** Not known.
- Ecotoxicity:** Not known.

## 13. Disposal Considerations

- Methods of disposal:** Controlled incineration. Care should in any case be taken to ensure compliance with EC, national and local regulations. Take local authorities advice with handling of waste.
- Danger(s):** Not known.

## 14. Transport Information

### Classification

- Not classified

## 15. Regulatory Information

**EU classification** Not classified

-

**Risk-phrases:**
